

# COUNTERTOP BUYING GUIDE

How to decide which countertop is best for you!

DO YOU MIND SEALING THEM 1-2 TIMES PER YEAR?

Best options for you:

- QUARTZ
- STAINLESS STEEL
- PORCELAIN

I'd rather not...

No big deal...

Best options for you:

- WOOD
- MARBLE
- GRANITE
- CONCRETE

DO YOU MIND SCRATCHES?

No, thanks

Best options for you:

- QUARTZ
- PORCELAIN

DO YOU LIKE THE NATURAL CHARACTER OF AGED COUNTERTOPS (SCRATCHES, STAINS, ETCHING)?

I'll pass!

Love a good patina!

GRANITE is your best hope, but not foolproof!

Best options for you:

- WOOD
- MARBLE
- CONCRETE

I don't mind

Stainless Steel is probably the best for you!

TIGHT BUDGET?

Sort of...

Porcelain could be a great match!

DO YOU LOVE VEINING?

Love it!

Marble is for you!

Not a fan.

Best options for you:

- WOOD
- CONCRETE

ARE YOU CONCERNED WITH LONGTERM DURABILITY?

Nah...

Quartz would be a great fit for you!

Yes!

Wood is likely the better choice, as a seasoned concrete Pro can be costly!

I'm okay replacing them in 10 years

Concrete is an excellent option for you!
